

Diversity Reading List.org

Helping you include authors from under-represented groups in your teaching

Diversifying your syllabus is easier with Diversity Reading List!

Easily find texts by authors from under-represented groups

Search the list for titles, authors or keywords

Browse by topic in a navigable structure of categories inspired by PhilPapers

See abstracts, keywords, and links to online versions of texts

Look at other syllabi where a text was used

Contribute

Help us make philosophy a discipline of equal opportunity – recommend texts to be included on the list via our website.
